

Success Can Be Assured

ה"ר

Rabbi Zev-Hayyim Feyer

Our thought for today is
SUCCESS CAN BE ASSURED

Success is measured by inner satisfaction, not by the quantity of our accomplishments. A small overcoming, an act of love – these are the hallmarks of a successful person.

SUCCESS CAN BE ASSURED

Success can be silent and unpraised, but it is rich in rewards when our giving of ourselves has reached another.

SUCCESS CAN BE ASSURED

We may revere success if we revere love and wisdom first, for then our drives will be geared toward the accomplishment of self-growth, the capacity to touch and reach others, and the commitment to perfect that in the world which does not yet manifest its perfection.

SUCCESS CAN BE ASSURED

Our goal will not be the crass symbols of success that an irrational modern society defines and reveres. When waiting becomes tempered and harmonized with the laws of love, then we are assured of success.

SUCCESS CAN BE ASSURED

We succeed when we no longer need.

SUCCESS CAN BE ASSURED

One has achieved success who has lived well, laughed often, and loved much.

SUCCESS CAN BE ASSURED

And now, let us enter the silence, taking this thought with us and resting in it

SUCCESS CAN BE ASSURED
