

The Spirit of G*d Is within You
Rabbi Zev-Hayyim Feyer

ו"א

Our thought for today is
*THE SPIRIT OF G*D IS WITHIN YOU*

You have within you the power, the capability,
the potential to accomplish your heart's desire.

*THE SPIRIT OF G*D IS WITHIN YOU*

You have the desire, the drive, the enthusiasm,
the spirit of joy necessary to reach your goals.

*THE SPIRIT OF G*D IS WITHIN YOU*

Stop complaining. Look at life positively, constructively, affirmatively. Eliminate stifling criticism. Look at people and situations with love, understanding, and respect.

*THE SPIRIT OF G*D IS WITHIN YOU*

Do not look for hidden motives nor assume that others are blocking your good. Only you can block your flow of good, and only you can assure it.

*THE SPIRIT OF G*D IS WITHIN YOU*

Bless and praise even the slightest evidence of good that comes your way. Look to the Spirit of G*d Which dwells within you for guidance, for direction, for assurance.

*THE SPIRIT OF G*D IS WITHIN YOU*

Be aware; be always aware of the indwelling Presence
of G*d, ever present, directing and uplifting you.

*THE SPIRIT OF G*D IS WITHIN YOU*

And now, let us enter the silence, taking this thought with us and resting in it

*THE SPIRIT OF G*D IS WITHIN YOU*
